I searched and do not have an email address for Officer Moore and I know I do not have a phone number. I spoke with him this morning and he requested I send customer contact information for people whom I communicated with regarding the business. Attached are the bi-weekly communications from Sept 24, 2020 through July 29, 2021.

He also asked for documentation regarding my unemployment. Attached is the complete history from inception to date.
